

## BAILEY'S PAR FOR AUTISM Charity Golf Tournament

On Sunday June 10<sup>th</sup>, Bailey's Team will hold its **Fourteenth Annual BAILEY'S PAR for AUTISM Charity Golf Tournament** in an effort to raise funds to support research, education and needed programming for individuals living with autism and their families.

Autism is a neurological disorder and impairs a person's ability to communicate, relate to others and process information, which has a great impact on learning, social awareness and language. These deficits often cause difficult behaviors that are a result of the individual's frustration and his or her inability to connect.

Bailey was diagnosed with autism in June of 2001, just before his second birthday. He is now 18 years old and in his fourth year at North Attleboro High School where he will remain until his 22<sup>nd</sup> birthday under Massachusetts state law. We are delighted with the progress he has made although his autism at times presents many challenges for him and for our family.

He brings us tremendous joy; however, we do not know what lies ahead for him. We take each step with much trepidation and care – and only hope that he continues to be the happy young man he is today.

Together, with friends and family, we have dedicated ourselves to raising awareness about autism while also raising funds to support research, education and programming to help improve the lives of those affected by this very challenging disorder.

*We thank you for your continued support and look forward to yet another successful year!*

*Sam & Doug*

Bailey – 18 year's old

*RI Consortium for Autism Research & Treatment*  
*South Coast Educational Collaborative*  
*Spaulding Outpatient Center for Children*  
*Surfer's Healing*

Autism is the fastest growing serious developmental disability in the United States. Someone is diagnosed with autism every 20 minutes. 1 in 68 children will be diagnosed with autism this year. There is no cure. Individuals with autism require lifelong supervision, protection and care. Thank you for helping Bailey's Team carry out our mission in support of individuals with autism!

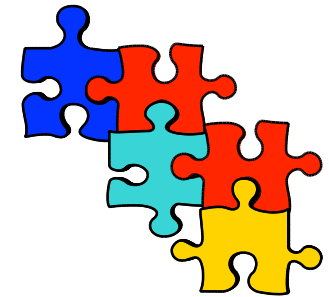

Please join us for the
